UPDATE
Beads On One String

Saturday January 7, 2012

Friends,

Good news! The new CD (SEEDS) isn't out yet. Okay, that's not the good news. Here it is: I'm expecting to receive shipment within a week, hopefully in time for my [Illinois concerts](#) next weekend.

Maybe the warm winter here in Minnesota is making me delirious, but here's an offer just

for my friends (you!) who actually read my newsletters: Just \$12 each with free shipping. I won't throw in any free Ginsu knives, but I can say, "Order now and I'll include a second CD for only \$8 more". And with "No shipping, no handling charges", you can be assured you won't find an offer this good on the Home Shopping Network. Interested? [Click here](#).

I am excited about SEEDS. Backing me up are some good friends who, as luck would have it, happen to also be fantastic musicians. The line up is quite impressive, including folks who've worked with Bonnie Raitt, Jonny Lang and that other notable Minnesota folk singer, Prince.

Next week begins the [2012 tour](#) in Hinsdale, Illinois at the renowned Acoustic Renaissance Concerts Series. From there, over to neighboring Naperville, then back to Minnesota for a couple of "Beads on One String" concerts. Then it's up to North Dakota, where I'm hoping all the Christmas lutefisk will be properly disposed of by the time I arrive.

The [tour schedule](#) has all the details. Plan a road trip and bring a friend or two...

Oh, I almost forgot to mention that I posted a [new video on YouTube](#) last week. If any of you are interested in hosting a house concert, this will give you an idea of what "Dennis & the D's" sounds like unplugged. We're a lot of fun and have surprisingly good manners.

Happy 2012!

Peace,

01/07/12
